## Recruitment Task – Technical Department (Round 1)

Welcome to **Round 1** of the Technical Department recruitment process. Your task will assess your **design sense, creativity, and basic front-end development skills**.

### ■ Task Description

Create a **Front-End Website** for **AWS x MAIT**. The website should reflect:

- The spirit of **AWS (Amazon Web Services)**
- The identity of **MAIT (Maharaja Agrasen Institute of Technology)**
- Professionalism, creativity, and clarity

### ■ Requirements

- **Website Structure:** Must include 2–3 Tabs/Sections (e.g., Home | About AWS | About MAIT | Contact). Add images/banners/logos relevant to AWS and MAIT. Include short content/text from official sources.
- **Design & Creativity:** Use a modern, clean, and professional design. Ensure readability, color harmony, and responsive layout (preferred).
- **Technical Expectations:** Front-end only (HTML, CSS, JavaScript). Frameworks (React, Bootstrap, Tailwind) optional. No backend/database required.
- **Image Resources:** Use references for images & content from official AWS/MAIT websites and posts. Example reference: [https://www.instagram.com/p/DIO9QkTIX4r/?img\\_index=1](https://www.instagram.com/p/DIO9QkTIX4r/?img_index=1)

### ■ Judging Criteria

Criteria	Weightage / Description
Creativity & Design	40% – Visual appeal, colors, layouts, typography
Content Placement	25% – Clear sections, logical flow, AWS x MAIT relevance
Technical Implementation	25% – Neat code, responsiveness, modern practices
Originality	10% – Unique presentation, not a copy-paste template

### ■ Submission Guidelines

- Submit your project folder as a .zip file (include HTML, CSS, JS, and assets).
- Name the file as: YourName\_AWSXMAIT\_Round1.zip
- Upload link will be shared in the group/form.

### ■ Deadline

- Submission Deadline: **7th October 2025, 11:59 PM**
- Late submissions will not be considered.

### ■ Rules

- Individual task (no group submissions).
- Plagiarism or direct use of templates without customization = Disqualification.
- Keep the design simple yet impactful – quality matters more than complexity.

■ This round is meant to showcase **your creativity + front-end basics**. Top performers will move to the next round of Technical Recruitment.
